TRILOGY DESCRIPTION:

The New Rulebook framed Ruby Masters for murder after a routine delivery turned deadly, leading to a manhunt. Her biggest obstacle? She had no idea about her pursuer's identity. Her best friend from childhood, Police Officer Robert Towers, swung to her rescue, only for things to get complicated when he announced his conversion to Christ while their hearts got entangled. Snowy Peaks, a besieged town with its mayor held hostage, asked ill-timed for their help. But Ruby and Robert needed to unravel the tangled web over their hearts first. With their relationship knitting closer, so did the mysterious enemy after them.
